Since I am admitted to enter your school, I promise to observe the rule of your school. I will try to behave well as a member of the school in my daily life, and I will never disgrace the name of your school.

I assure you that I practice Kudo with much carefulness.

If an accident should occur and cause me bodily injury, I will take responsibility on my own, causing your school no trouble at all.

I hereby swear that I faithfully keep my duty.
